## HOW TO COMPLETE THE HOMEWORK ASSIGNED BY YOUR TEACHER

If you are enrolled in a virtual class, every time your teacher assigns homework you will receive a notification to the e-mail address associated with your BlinkLearning account and also within the platform, in the **My messages sections**.

Open the message, click on the link and do the exercises (you have three attempts).

Every time you complete an exercise, click on Validate.

The results of your work are automatically sent to your teacher.

Remember to respect the deadline indicated in the message that you have received from your teacher.

Clicking on **Homework** you can see which grade you obtained for each task assigned and the percentage of work done.
